Mustangs...

Continued from page 31

Chapman led the team with three goals Tuesday to bring his team-leading total up to 23.

"He's strong," Cuozzo said. "He's tough to stop when he goes to the cage."

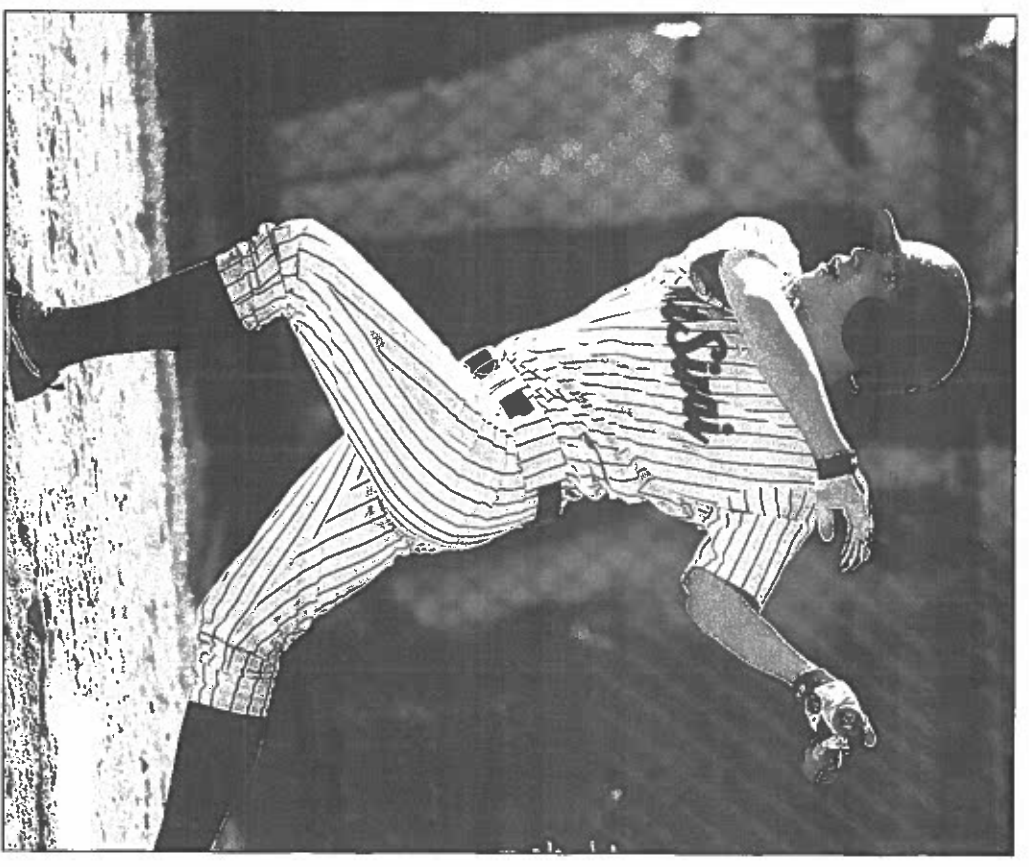

While the Mustangs may not be a dominant offense team, they've still managed to hit double figures in five of their eight games. Against Huntington April 4 they scored 20.

Against Long Beach six different players scored, which is the kind of balance the Mustangs need.

"We don't want them to jump all over one guy," Cuozzo said. "We want everybody to be able to contribute."

Tuesday's win was another confidence builder for the Mustangs, who are aiming for the program's first county title this season. Cuozzo and the rest of the coaches have told the players to dream big and not settle for simply being a good team.

"We told these guys, set the bar high," Cuozzo said. "Don't just be satisfied with where we are now. Let's keep working and get better."

Sweet swing

Mount Sinai catcher Bobby Welty scored one run in the Mustangs' 5-2 loss to Mattituck April 17. The Mustangs bounced back by winning the third game of the series, 12-5, Friday at Mattituck. In their series opener against John Glenn Tuesday the Mustangs won their second straight, 4-1, to improve to 7-3 in League VII and 9-4 overall.
