This year's freshman class features some extremely talented players who have the potential to make an immediate impact for their team. Cortney Fortunato has long been lauded as one of the best recruits in recent memory and Maggie Bill is a two-sport athlete for North Carolina, competing for two defending national champions — she's also on the soccer team. Taylor Poplawski is a superb athlete who brings a ton of speed to the Syracuse midfield, Zoe Stukenberg will add to an already dominant and deep midfield at Maryland and Caroline Fitzgerald has an opportunity to be another great two-way midfielder for Florida and immediately step into a big role.
